Dear Parents/Carers

## Summer Uniform

Following the plans to change the College uniform from September this year I have decided to allow students to wear the standard Summer Uniform from an earlier date this term. Starting from **Monday 18<sup>th</sup> May 2009** students may wear a white polo shirt with College logo (available from Dobsons, the College uniform supplier) or a plain white polo shirt without logo. This is instead of a blazer, shirt and tie.

If a student wishes to wear a white shirt with a collar, they should also wear a tie. If there are any colder days, students should wear a blazer as additional clothing, not any other type of jacket or top. Trainers, other than plain black without a logo, should not be worn, as they are not College uniform.

**Please note that all students must have a separate white polo shirt for PE use.**

### Jewellery

I would like to remind parents and students that no decorative jewellery, except gold stud earrings (one per ear), may be worn. Nose studs and other pierced body jewellery are not permitted. However, we do understand that a small number of students do wish to have body piercings. If this is the case for your child please ensure that this takes place at the start of the summer holidays so that the body jewellery can be removed before we start back in September.

I hope this information is helpful to you in ensuring that students remain in appropriate clothing during the summer term.

If you have any questions regarding the summer uniform, please contact your child's Head of House in the first instance.

Yours sincerely
