## Tuesday 24<sup>th</sup> March – The Big Event

On Tuesday 24th March Neale-Wade Community College are hosting the 'Big Event' which is a careers convention for years 9, 10 and 11. This event is a new initiative and aims to give the students an opportunity to meet with potential employers from across the country to talk to them about what jobs and careers are like and what qualifications are needed. There will also be the opportunity to talk to Post 16 providers.

An information pack will be available from their tutor and should be looked at before the event. Please ensure that your child brings their pack along on the day. The information inside the pack includes details of all the employers attending, qualifications needed and the type of work they could be expected to do. There is also a questionnaire about what they thought of the event, along with the chance to win an I-pod!

Years 9, 10 and 11 will have timed slots throughout the day when staff will escort them to the Sports Hall. There is also the opportunity for parents to visit the event from 3.20pm until 4pm.

We hope that it is going to be a great success and provide students with loads of advice and information about future choices.

Yours sincerely

Mrs J M Garwood  
Assistant Principal
