

The Neale-Wade Community College

A Mathematics & Computing Specialist College

Wimblington Road March Cambs PE15 9PX

Principal: Tim Hitch

Maths &
Computing

Cambridgeshire
County Council

25 March 2010

Dear Parents

The examination period is almost upon us; your child has been working towards this moment for the last five years. It is vital that they maintain their focus to ensure they attain the grades they deserve and require for the next stage of their education. Your support as a parent is a pivotal factor in their success and I would appreciate your assistance in the run up to the exams.

We have published the examination timetable and code of conduct on our website www.neale-wade.co.uk, I would ask you to go through this with your child. It is important their coursework is up to date and they continue to attend all lessons, as any information they receive during lessons can potentially make a difference to their final grade.

I appreciate that many students will find revision and examinations stressful, to support them in their preparation we are holding a study skills day on 30 March, this will reflect that evenings "Family Learning Workshop". We are committed to ensuring that your child has the best chance within the examinations. I have spoken to the students to ensure they also recognize the importance of maintaining momentum during their final preparations. As a college we will use all available rewards alongside any removal of privileges to ensure every child gets the chance to succeed.

Thank you for your support and I look forward to another group of students achieving grades that reflect their true potential.

Yours sincerely

Mr C D'Cunha
Vice Principal
