Changes to College Day

Dear Parents/Carers/Students

After half term (with effect from 2 November 2009), it is my intention to change the timings of the periods of the College day. The Tutorial period will be before break rather than after break.

I think the change of time will increase the importance of the Tutorial period and make Assembly time easier to manage. I have printed the new timings on the back of this letter.

As Break will occur later than it is at present, may I take this opportunity to remind students and parents that the College serves breakfast every day from 8.20am. A very good variety of breakfast foods can be purchased from the Canteen at reasonable prices.

A review of this change of timings will occur during the next half term. If the changes bring the improvement that I am hoping, we will continue with the new timings.

Yours faithfully

Mr T J Hitch
