Dear Parents

Re: Year 11 Family Learning Workshop

Following the success of the last Family Learning Workshop where we looked at revision techniques and examination preparation. We are holding the next session on **Tuesday 30th March at 7pm**. This session will focus on further exam preparation, revision techniques and more hands on activities to help parents support their children's learning.

You will have an opportunity to

- Re-live your youth
- Experience new revision techniques
- Plan for effective revision
- Collect valuable information about the examination process

The college would like to invite you and your child to a family learning workshop on **Tuesday 30th March**, to be held in the **dining hall at 7pm**. Our aim for this session is for parents and students to work together to increase understanding of the pressure involved in exam success. The main focus of the evening is to experience proven methods that have increased student achievement.

We hope that this will prove again to be a highly beneficial evening for yourselves and your child. We look forward to seeing you on the **30th March**.

Yours Sincerely

Mr Craig D'Cunha
Vice Principal
