Year 8 World of Work Day

Neale-Wade Community College will be hosting a Year 8 careers day so that you will be able to engage in activities that will help you better understand the world of work and your possible paths. We will for the first time be giving you a unique opportunity to invite your parents or carers to participate in this event by allowing you to shadow them for a day at their work. Obviously this can only happen if they are their place of work agree, as they will have to make the necessary arrangements. Parents and carers can nominate a relative, to be shadowed at work, but they again have to take responsibility for all the arrangements.

We are planning to hold this day on 16 July and students who are unable to shadow their parents or carers will have four lessons of career-based activities, with hopefully help from local businesses and companies. This would be a fantastic opportunity for you to get a better understanding of the world of work and be a good preparation for Year 9 and your options choices.

If you think your parents/carers would like to take part in the "Take your child to work Day", then please fill out the reply slip at the bottom of this letter and hand it to Mr Ljunggren in H5.
